Introducing Our New Director of Admissions

We are excited to have Tim Alexander join our staff

I am excited to introduce to you our new Director of Admissions, Tim Alexander. The moment Tim voiced interest in the role we were excited. First, his love for Great Lakes is strong enough to prompt him to move to the other side of the world so that his daughters could benefit from its academic program and the spiritual environment. Second, his understanding of Asian cultures and practices not only will help him reach out more effectively to Asian agents, students, and their families, but it enables him to educate the rest of us about how we can better meet the needs of the Asian community we have on campus. Third, he is a positive and encouraging person who is eager to serve others. Welcome to Tim and his family!

Don Rose, President

God is GREAT! He has done so much for me! After graduating from Great Lakes Christian College in 1980 I traveled and worked for a few years while I planned my future. In 1987, after three years in Mexico, I went to Asia, expecting to be there 3 years as well! My wife, who is Taiwanese, and I were married in 1993 and our daughters grew up in Taiwan speaking Mandarin Chinese at home. Since they were young we always had a plan for them to come back to Canada for High school at Great Lakes. I am thrilled to be in the position of Director of Admissions. While in Taiwan I taught English and (after several years studying at Taipei Normal University) regularly spoke publicly in Chinese at churches. I am hoping to use my knowledge of the Chinese language and Asian cultures to build a more foreign-student-friendly atmosphere.

*God is
GREAT!*

*He has done
so much for
me!*

Great Lakes Welcomes 20 International Students

We are pleased to welcome 20 students to Canada, some of them for the first time from China, Hong Kong, Korea, Taiwan, Japan and the Ivory Coast. We are also pleased to anticipate students from Rwanda as early as next spring.

Great Lakes Gets A New Name and Logo

We are very excited to launch our new corporate identity this month at our Annual Partnership Dinner on September 27. We have listened to our greater global

Our new name reflects what we are and we believe our new logo reflects who we are. That is, a Christian community that is seeking, serving and becoming like Christ.

Encouraging our students to seek, serve and become like Christ is a mission we take seriously and embrace fully.

community's suggestions that we be clearly identified as a high school, so we have seized this opportunity to create a fresh, new logo and promotional campaign. We look forward to sending out packets of all our new materials and applications to our agents over the next couple of months.

Although we have changed our name to GREAT LAKES CHRISTIAN HIGH SCHOOL, we have not changed the excellent high school program that we offer. We are excited to continue offering our high calibre education under a name that more accurately reflects what we are.
