Great Lakes Christian High School

JUNE 2009 | VOLUME 5, ISSUE 2

Our International Boundaries Are Expanding!

We are very excited about welcoming new students this fall from Tanzania, Nigeria and Ecuador. As well, we will be happy to see returning students from Taiwan, Hong Kong, China, Japan and Korea. We have also seen an increase in applicants from the United States. What a wonderful diversity of students to bless the halls of our high school!

Director of Admissions Travels to Asia

In March of this year I traveled to Hong Kong and Taiwan. In Hong Kong I contacted a new agent and generated more interest with some of our existing agents. In Taiwan I attended the Oh Canada / Oh American student fair in Taipei, Taichung and Kaohsiung. My wife, who is from Taiwan, attended the fairs with me and, of course, most of the Taiwanese parents we met preferred to discuss the school with her. We enjoyed being back among friends and family in Taiwan (we lived there most of the last 20 years). This fall we will have four Taiwanese students with us. This year we are also excited that Dr. Abraham King is an active agent generating interest for Great Lakes Christian High School in Africa.

Colombian Student 'Mini Stay' Ends With Trip to Quebec City

Twenty four students from Colombia joined our Great Lakes community for 4 weeks this past spring through the "Red Leaf Mini Stay Program". They lived with local families and participated in our GL classes. With the help of their two accompanying teachers, we hosted a truly Colombian meal on their final day of classes. They and several of our GL students enjoyed a 4 day trip to Quebec City on Easter weekend. Many good friendships were made over the 4 weeks.

GL Chorus Travels to the East Coast of Canada

The day after graduation (June 13), eighteen of our Chorus students left for the east coast with their Chorus Director, Rick McBay and teachers Heather Halls and Duane May. Our school President Don Rose will join them in Halifax later in the week.

The Chorus will give six choral presentations on behalf of Great Lakes Christian High School in Quebec, New Brunswick and Nova Scotia. Some sigh seeing highlights will include Peggy's Cove, Mahone Bay, Lunenburg and Halifax's—Pier 21 in Nova Scotia, as well as Old Quebec City and Montreal in Quebec. Students will be billeted in families' homes and be shown some good old, eastern Canada hospitality. Two of our International students are excited about being a part of this memorable trip.
