High School Chorus Enjoys Highest International Involvement Ever!

This year's Great Lakes Christian High School Chorus is benefiting from the participation of 6 international students. Three students from Hong Kong and three students from Korea have been a wonderful addition to this choir directed by Mr. Rick McBay.

The Chorus embarked on their first weekend trip of the year to places throughout Southern Ontario where they sang for 4 churches, a Christian school, a Long Term Care Facility and for a Youth Group. Students were billeted in families' homes and were treated with wonderful hospitality.

We are very excited about the involvement of our international students in Chorus, this year's Drama Production (The Sound of Music), Yearbook, Student Council and other extra curricular activities at Great Lakes.

“Chorus is a great way to travel and praise God!”

First Snow of the Season!

For those of us growing up with Canadian winters, the first snowfall could be seen as not a very exciting event. But see that snowfall through the eyes of our international students seeing snow for the first time and there is significant excitement in the air. November 19 was a memorable day at Great Lakes.

Shadow Day Event a Great Success

Each year Great Lakes offers an opportunity to community students considering Great Lakes as their high school to come and be a "Laker" for a day. This fall we will have hosted two Shadow Days where each guest student 'shadows' one of our students throughout classes, Chapel

and a meal in the cafeteria. Both days end with a time of skating at our local arena. This fun activity is a joy to watch, especially those who have never put on a pair of skates before. A great time is had by all and our students do a great job of hosting our guests.
